

ABOUT US

Reaching has been delivering therapeutic hoarding support for four years throughout North Staffordshire. We are highly skilled and appropriately trained practitioners with knowledge and experience of working with People who Hoard (PwH).

We are known for our commitment to excellence and have collaborated extensively with statutory services, social and private landlords, various charitable organisations, and private individuals. Our services include Case Reviews, Case Management, Hoarding Training and Support Groups.

Recovering Homes offers you an all-inclusive package of services in partnership with reliable and committed practitioners, therapist, professional organisers and declutters, including hazard specialists.
